FIVE DAY WEATHER FORECAST

Issued on 05th October 2026; Valid until 09th November, 2026

Key: Warning level

Likelihood					
	High		2	6	10
	Medium		1	5	9
	Low			4	8
	Very low			3	7
		Minimal	Minor	Significant	Severe
		Impact			

Expect hot to very hot and mostly sunny conditions over most areas in Malawi from Saturday to Sunday due to a warm easterly air mass. From Sunday evening expect windy and cloudy conditions with thunderstorms and rain over most areas across the country. This is due to the convergence of north-easterly and southeasterly airmasses over Malawi.

WINDS: Generally North-easterlies

ADVISORY: The country is expected to experience excessive heat from tomorrow. Therefore, drink plenty of water to stay hydrated and avoid prolonged exposure to direct sunlight.
