⚠️ Cold spell over Malawi (issued 14/05/2025)

Urgency: Immediate

Severity: Moderate

Certainty: Observed

Issued:

Wed 14 May 2025
13:28

Effective:

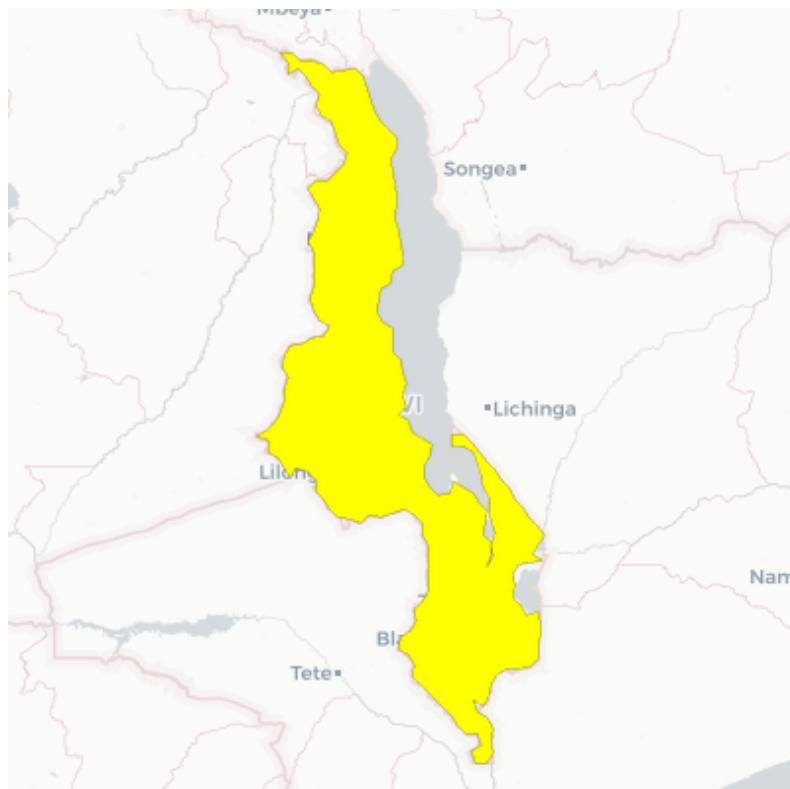

Wed 14 May 2025
13:28

Onset:

Wed 14 May 2025
14:00

Expires:

Wed 14 May 2025
16:00

Area:

Malawi

Description:

Cold weather is expected across many parts of the country due to a cool and moist air from the south east.

Instruction:

1. Keep warm 2. Avoid using a charcoal burner in poorly ventilated rooms. 3. Those with Asthmatic conditions must be extra careful
